

# Hotel Flysheet Camp

*Sung to tune of 'Hotel California'*

In a dark shining cliff wood  
Some campers arrived  
Put their tents in a clearing  
And the lake they dived  
Up ahead in the distance  
Swang Tarzan and his friends  
A scary leopard and King Kong appeared  
They thought it was the end

Living it up in the Hotel Flysheet Camps  
Such a lovely place, Such a hectic place  
Giving it up at the Hotel Flysheet camps  
Chips and videos, TV and stereos

Getting lost on a top group hike  
Did a chemist appear?  
No but walking around in circles  
Made it all very clear  
More map skills were needed  
But then they saw a sign  
Merlin to the rescue  
There is no finishing line

Living it up in the Hotel Flysheet Camps  
Such a lovely place, Such a hectic place  
Giving it up at the Hotel Flysheet camps  
Chips and videos, TV and stereos

Next came the pea fair  
Such fun we all had  
Magic tricks and pokemon cards  
Were all up for grabs  
While on the subject of peas  
We must mention the lats  
Only Emily has fallen in but  
Hey watch your backs
